## Housing Stabilization Specialist

**Job Title:** Back @ Home Housing Stabilization Specialist

**Organization:** Thrive

**Location:** Hendersonville, NC

**Job Type:** Full-Time; hybrid remote

**About Us:** Are you ready to make a difference? Join our dynamic team at Thrive, where we're not just a workplace; we're a community committed to making a positive impact on the lives of individuals and families. At Thrive, we believe in creating a friendly and supportive atmosphere that empowers our employees to thrive while making a difference in our community.

**Position Overview:** As a Housing Stabilization Specialist, you will play a vital role in helping individuals and families secure stable housing while providing the support they need to never return to homelessness. Your expertise and compassion will make a meaningful impact as you work with our clients to overcome housing barriers. With your guidance, our clients will learn how to be good tenants, achieve mental health and housing stability, and foster key independent living skills to ensure a brighter future. The ideal candidate is detail oriented, a self-starter, and happy to work in a team atmosphere. Persons with lived experience, BIPOC, and bi-lingual are encouraged to apply.

### Why Choose Thrive?

- **Positive Atmosphere:** Experience a positive and uplifting atmosphere where collaboration and support are at the core of our values. We are committed to creating an environment where you can thrive both personally and professionally.
- **Friendly Team:** Join a team of passionate individuals who are dedicated to making a difference. Our friendly and inclusive culture ensures that everyone feels welcome and valued.
- **Great Communication:** We value open and transparent communication at Thrive. We work hard to ensure that you will feel comfortable expressing ideas, providing feedback, and raising concerns.

### Key Responsibilities:

- Conduct thorough assessments to understand clients' needs and challenges.
- Develop and implement individualized housing plans with a focus on sustainable solutions.
- Provide supportive counseling and advocacy to empower clients in overcoming obstacles.
